12"X12"

CDAESMPWO
ELEGANCE SQUARED MOSAIC
POLISHED WHITE ONYX
12"X12"

The polished finish is recommended for wall coverings or for the floors of residential bathrooms. Specifically, floor coverings in this material must not be subjected to excessively heavy traffic and must never be in direct contact with outdoor areas. As is often the case with natural stones, any spots on the surface or any unevenness in shine are typical characteristics of the product, deriving from the process used.
