SOHO / CERAMIC & PORCELAIN

Inspired by New York's artsy SOHO neighborhood, this classic design is married with modern and luxurious colors. It is a versatile collection with a refreshed and contemporary color palette across 3 segments: tiles and trims, mosaics, and patterned mosaics.

TILES + TRIMS

Simplicity and elegance are blended together in a series inspired by the timeless design of monochromatic tiles, and reimagined with a contemporary color palette.

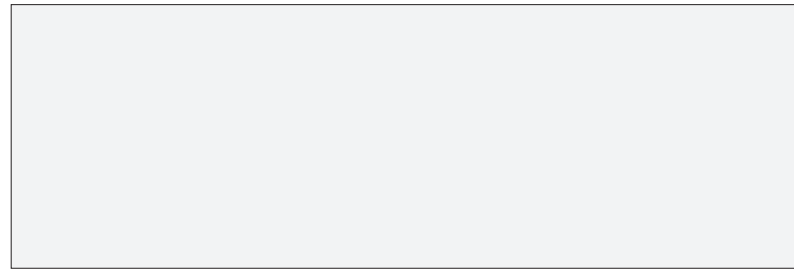

FORMATS, FINISHES AND COLORS AT A GLANCE

12 formats, 2 finishes

Classic shapes, sizes and elongated rectangles emphasize the versatility of the SOHO collection. Tiles and Trims now include new and more contemporary 2 x 12 inch / 5 x 30 cm tiles, an expanded assortment of 4 x 16 inch / 10 x 40 cm tiles and additional bullnoses and new quarter round trims. Matte tiles

are on trend and well suited for today's retro modern interior design style and therefore Anatolia has expanded its assortment of matte finish options. SOHO glossy finish continues to be available across the collection. These tiles and trims are well suited for a variety of contemporary wall installations.

FORMATS, FINISHES AND COLORS AT A GLANCE

SOHO mosaics include a mix of classic configurations and new refined shapes. SOHO continues to include classic mosaics such as Penny Rounds, Squares, Basketweaves and Hexagons. Refined shapes such as Arabesque and Scallop shapes have been recreated to add greater detail and definition to its surface design. The surface now has well defined lines and color complexity

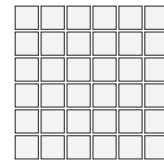

where glaze and color meet surface ridges. New and in vogue mosaic shapes such as the Scallop, Picket and Brick are also offered. Most of SOHO's shapes are available in matte or glossy porcelain, and a new matte unglazed porcelain material type in limited shapes are a perfect match for today's contemporary wall and floor applications.
